Attached you will find the Oklahoma Workforce Innovation and Opportunity Act (WIOA) Unified Plan for your review. This will be discussed and considered for possible action at the upcoming Governor's Council meeting on Friday, January 29.

The State Unified Plan is a document required by the U.S. Department of Labor (DOL) and is due by April 1, 2016. Once it has been approved by the Governor's Council, it will be posted on the OklahomaWorks.gov web site for a 30-day comment period prior to its submission to DOL.

The Unified Plan outlines a four-year workforce development strategy for the State's workforce development system which provides employment, education, training, and related services and supports to help jobseekers secure good jobs while providing businesses with the skilled workers they need to compete in the global economy.

It includes strategies for career pathways, sector strategies, at-risk youth, etc., as well as strategies for aligning workforce development programs to support economic growth.

If you prefer to look at it online, it can be found at the following link: <http://oklahomaworks.gov/wp-content/uploads/2016/01/State-Plan.pdf>

Looking forward to seeing you on January 29 at 9:00 a.m.

Thanks,  
Linda
